

## Cortese

### D.O.P. Oltrepò Pavese

Wine Description	Semi-Sparkling White Wine
Grapes	Cortese
Production Area	Torrazza Coste, Codevilla, Retorbido.
Winemaking	After soft pressing the must is separated from the skins. Some batches are cryomacerated. The must is transferred into thermo-regulated vats where fermentation starts. A second slow re-fermentation takes place in autoclave in order to develop carbon dioxide.
Appearance	Lively pale lemon colour.
Tasting Notes	Intense Floral aroma like rose and other flowers of Compositae family. The wine has a round taste where the flowers notes are mixed with the fruity flavour. The aroma is pleasantly stimulated by the effect of effervescence.
Serving Temperature	6° -8°C
Size	75 cl
Alcohol	11,5 % Vol.
Pairings	Pairs well with fish dishes and seafood risottos.
