

Riesling

D.O.P. Oltrepò Pavese

Wine Description	Still White Wine
Grapes	Riesling Italico (Welschriesling)
Production Area	Codevilla, Torrazza Coste, Borgo Priolo e Mornico Losana
Winemaking	After soft pressing the must is separated from the skins. The cleaned must is transferred into thermo-regulated vats where fermentation starts. When the fermentation is concluded the wine is then stored in stainless steel tanks and bottled few months after the harvest (January, February) in order to preserve its fragrance as long as possible.
Appearance	Still pale lemon colour wine with greenish glints.
Tasting Notes	Delicate fruity aroma reminiscent of Golden Delicious apple. The flavour has correspondence with the fruity notes of apple and pear.
Serving Temperature	6°-8° C
Size	75 cl
Alcohol	12,5 % Vol.
Pairings	Pairs well with vegetable and aromatic herb soups, omelettes, fish soups and creamy cheeses
